3. Chairman Mike Wetsch asked Jeffrey Johnson if he wished to address the Board. Jeffrey said he wasn't sure at this point. Jeffrey said all his matters have been resolved, there was no conviction of any kind on his record, and he fulfilled all his obligations to the court. Jeffrey stated he received his WI license that was held up and WI found no issues and reinstated his license. Monte addressed Jeffrey and stated the notice that the Board issued to Jeffrey had timelines in it, and those timelines have passed and were not met, so unless the Board took some action the only avenue for him would be a re-application. Jeffrey stated COVID-19 was an issue. Monte suggested to Jeffrey to work with John on a re-application. Jeffrey stated John has been very helpful during the process. Jeffrey indicated he would be making a re-application to the Board. The Board took no action.
4. Chairman Mike Wetsch asked Todd Gullett if he wanted to address the Board. Todd Gullett addressed the Board and briefly gave an overview of his business. Steven made a motion to approve the documentation that was submitted by Todd Gullett to meet the 2000-hour experience requirement for application as a licensed private investigator and to allow Todd Gullett to continue with the application process. Justin seconded. A roll call vote was taken, and it was unanimous to approve the motion. Mike told Todd that for clarification, the Board was not approving the license, just allowing him to continue in the application process. John informed Todd the next step would be a review of his application, and if there were no issues found, he would be in contact with Todd on scheduling a date and time to take the licensing exam.
5. Steven made a motion to approve Jennifer Lightowler's application. Jason seconded. A roll call vote was taken, and it was unanimous to approve the motion.
6. Justin made motion to issue a notice of intent to deny for James Iyere's application based on criminal history that has a direct bearing upon James Iyere's ability to serve the public as an apprentice security officer.
